MEMORANDUM FOR: Director of Central Intelligence

FROM: [REDACTED]  
Acting Director, Planning and Policy Staff, ICS

25X1

SUBJECT: DCI's Annual Report to the Congress--1985

1. As you had requested earlier this week, attached is a draft copy of the Annual Report which incorporates most of the changes recommended by Community agencies and offices. For ease of identification, also attached is a copy of the original draft annotated with the changes that have been made.

25X1

2. Two changes proposed by OSD/C<sup>3</sup>I would add material beyond the original terms of reference by adding sections on "Funding Constraints" and "Survivability" to the Major Issues and Challenges. We have not yet added language on these areas, but if you approve we will do so and proceed with final editing and printing during your TDY. A highlighted copy of the OSD memo is attached for your information.
